(d) Cooperation with Federal Government. – The Department of Natural and Cultural Resources and/or the Department of Administration may enter into and carry out contracts with the federal government or any agency thereof under which said government or agency grants financial or other assistance to the Department of Natural and Cultural Resources to further the purposes of this Chapter. Either of the Departments may agree to and comply with any reasonable conditions not inconsistent with State law which are imposed on such grants. Such grants or other assistance may be accepted from the federal government or an agency thereof and expended whether or not pursuant to a contract.

(e) Cooperation with Local Governments. – The Department shall, within the limits of staff and available funds, cooperate with and assist counties, cities, municipalities, and other subdivisions of government, and, where appropriate, private individuals and organizations, in promoting historic preservation to the end that important properties which are not owned by the State may be preserved or encouraged to be preserved. Such cooperation and assistance may include but not be limited to reviewing historic preservation plans, evaluating historic properties, and providing technical, financial and professional assistance. The Department may further enter into and carry out contracts with local governments or their agencies and with any private party to further the purposes of this Article.

(f) Continuing Programs. – The Department of Natural and Cultural Resources shall develop a continuing program of historical, architectural, archaeological, and cultural research and development to include surveys, excavation, salvage, preservation, scientific recording, interpretation, and publication of the State's historical, architectural, archaeological, and cultural resources. The Department may obtain access to any abandoned cemetery for the purpose of recording and preserving information of significant historical, genealogical or archaeological value pursuant to Chapter 15, Article 4A of the General Statutes: Provided, that prior to the requesting of the administrative warrant, the Department shall contact the affected landowners and request their

consent for access to their lands for the purpose of gathering such information. If consent is not granted, the Department shall give reasonable notice of the time, place and before whom the administrative warrant will be requested so that the owner or owners may have an opportunity to be heard. Service of this notice may be in any manner prescribed by N.C.G.S. 1A-1 Rule 4(j). Any measures taken by the Department pursuant to this subsection shall be effected in such a manner as to cause as little inconvenience or disruption as possible to the owners of the land upon which the abandoned cemetery is located and of land necessary to obtain access to the cemetery.
